**ARINA DÄHNICK:  
THE MIES PROJECT**  
IN VILLA  
**TUGENDHAT**

**11 March – 3 May 2020**

A project by Berlin photographer Arina Dähnlick presents contemporary architectural portraits of Ludwig Mies van der Rohe's buildings in America and Europe. A travelling exhibition presented in several of Mies' iconic works, the Barcelona Pavilion, Farnsworth House in Illinois, the Crown Hall, Rangefinder Gallery in Chicago, in New York, will also be presented at Villa Tugendhat in Brno.

„Arina Dähnlick brings a new eye to the familiar Mies work juxtaposing the architecture with reflections in the glass and the play of light. When you look at her work you realize that she possesses a high degree of technical ability, and in addition she enriches the experience of the viewer by the her emotional feeling expressed in her photographs.” Dirk Lohan
